

They Were Not Amused: Essays in Ineptitude (Paperback)

By Tony Roegiers

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. I began writing personal essays about twenty-five years ago, at about the time I taught my first composition class at the University of Nevada. As the grand finale in my freshman writing courses, I asked my students to produce a personal essay, using Phillip Lopate's Joie de Vivre for examples. I thought that in fairness I should also share with the students my own foibles and personality snags-the accumulation of which have led me into lifelong conflict and head shaking with those in authority over me. I am now left with the residue, like an urn-full of gristly and grizzly ashes with the proverbial no place to go other than to be either flushed or published.

An incredibly amazing ebook with perfect and lucid answers. It is written in basic terms and never difficult to understand. It has been written in an exceptionally basic way and it is only right after I finished reading this ebook in which it in fact modified me, affected the way I really believe.

Extremely helpful for all class of individuals. Better than never, though I am quite late in starting to read this one. I realized this publication from my mom and dad suggested this ebook to discover.
